To the Bidders—

I find from time to time that collectors are beginning to look upon bidding at the auction sales more as a certainty rather than an “uncertainty.” The time is past when after you send in a bid on a coin classified as “about fine” to wonder as to what kind of a specimen you will receive. Every business and profession must first of all command the confidence of its clients before it can hope for success.

From my experience I find that the classification of the condition of coins is only a matter of personal opinion. There always is and always will be a difference of opinion on this question. But every collector is entitled to his opinion — has as much right to it as the dealer has to his.

I respect the opinion of every collector. I want you to feel that the lots you bid on at my sales WILL come up to your satisfaction.

On this basis, I invite your bids for this interesting sale. Send them in promptly so as to better enable me to give them the very best attention.

Cordially yours,

B. MAX MEHL.

Don't forget the Price List of this large sale,— only 50c. It will show the prices realized for each lot. Keep posted. Order the list NOW.

TERMS OF SALE

PLEASE READ BEFORE BIDDING.

All bids are entered as received and lots distributed to the highest bidder without reserve. When two or more bids are the same, the first received gets the lot. When two or more unlimited bids on a certain lot are received, the first one received gets the lot at an advance of 5% over the highest bid.

When I receive your bids, I consider myself as your agent and buy the lot for you as much under your bids as the next highest bid will permit. I simply execute your bids for you as faithfully as if you had yourself been present at the sale.

I CHARGE NO COMMISSION FOR EXECUTING BIDS.

Lots sold as catalogued. No lot is broken under any circumstances. Bid by number of lot and at SO MUCH PER PIECE. If there are ten pieces in a lot and you want to offer \$1.00 for the lot, make your bid 10c.

I guarantee all coins and notes to be genuine unless otherwise stated in catalogue. This guarantee holds good indefinitely.

NOTICE TO NEW BIDDERS.

Buying coins at auction sales is not the same as receiving coins on approval. The coins are bought for you on your order and you are of course expected to accept and pay promptly for them. Auction purchases are strictly net cash. Be careful in making your bids. Be sure that you bid for the lot you desire and at so much PER PIECE.

TERMS: The terms of auction sales are strictly cash. Parties unknown to me must send a deposit covering at least 25 per cent. of their bids or send satisfactory reference, otherwise they will not be accepted, as I cannot be expected to ship goods to parties whose good standing is not known to me.

Remittance should be made promptly in any way most convenient to yourself.

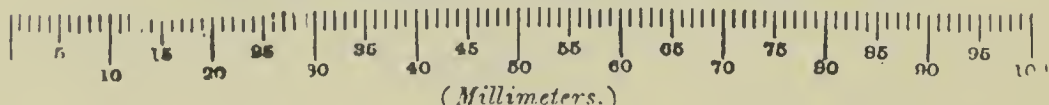

A neatly printed list of prices of this sale, showing amounts realized for each lot, will be sent for only 50c, CASH WITH ORDER. This is surely the cheapest and best method to keep posted on the prevailing prices of coins.

PLEASE SEND IN YOUR BIDS EARLY. All bids must be in on or before Wednesday, May 14, 1919.

If you have any coins that you want to sell either at auction or private sale, write me for terms.

Food for Thought—

Extravagant claims are easier made than fulfilled.

The claims I make for my Auction Department are simply based upon **actual performances.**

Please Note This—

My last **four** sales (including this one to be held May 14,) contained a total of over **five thousand lots** of fine **numismatic material**, and just three of the sales realized approximately Twenty Thousand Dollars (\$20,000.00).

Truly a record that will not suffer by comparison with that of any other market. And this is not ancient history, but a record of just the past few months.

The consignments represented collectors from every section of the country, Collectors who realize the extensive market I enjoy due to my liberal advertising and **proven** satisfactory business methods.

To You

who contemplate selling your collection, now or later, I offer for your consideration my services, which are based upon a life-long numismatic experience, proven successful methods, financial responsibility and prompt and satisfactory results.

Correspondence invited and promptly and cheerfully attended to.

Please Note:

To my knowledge Mr. Granberg had three former collections sold at auction. The first was sold by me in 1912, and two others at other markets at later dates. It is worthy of note that Mr. Granberg decided in favor of my methods and market for the sale of his finest collection.
